

## TransMedics to Present at Oppenheimer's 32nd Annual Healthcare Conference

March 1, 2022

ANDOVER, Mass., March 1, 2022 /PRNewswire/ -- TransMedics Group, Inc. ("TransMedics") (Nasdaq: TMDX), a medical technology company that is transforming organ transplant therapy for patients with end-stage lung, heart, and liver failure, announced today that members of the management team will present virtually at the upcoming Oppenheimer 32<sup>nd</sup> Annual Healthcare Conference. Management is scheduled to present on Wednesday, March 16, 2022, at 3:20 p.m. Eastern Standard Time.

### **Event: Oppenheimer's 32<sup>nd</sup> Annual Healthcare Conference**

Date: Wednesday, March 16, 2022

Time: 3:20 p.m. EST

A live and archived webcast of the presentation will be available on the "Investors" section of the TransMedics website at <https://investors.transmedics.com/>.

### **About TransMedics Group, Inc.**

TransMedics is the world's leader in portable extracorporeal warm perfusion and assessment of donor organs for transplantation. Headquartered in Andover, Massachusetts, the company was founded to address the unmet need for more and better organs for transplantation and has developed technologies to preserve organ quality, assess organ viability prior to transplant, and potentially increase the utilization of donor organs for the treatment of end-stage heart, lung, and liver failure.
